

Greetings from The Willow School!

We are a small, independent, preschool through eighth grade school located in Gladstone, NJ. Our mission is to enable children to develop an ethical approach to all relationships, realize their full potential, and believe in their power to effect positive change in the world.

On May 21, 2022, we are delighted to honor Willow's founding family members Gretchen and James Johnson at our in-person 20th Anniversary Gala at LifeCamp in Califon. Their faith, loyalty, and support have made The Willow School the beacon of hope that it is today. It takes a whole community to raise the next generation of ethical and collaborative problem solvers. Please support The Willow School's mission by donating goods or services to our fundraising Auction on May 21! Your generosity will be deeply appreciated and will be acknowledged in our Willow Weekend Program which will be distributed at events from May 20-23. Moreover, in gratitude for your goodwill, your website links will be sent to Willow families and alumni following the event to encourage them to patronize your business.

Thank you for your consideration. We look forward to hearing from you! If you have any questions, or to send us your forms, please email us at [auction@willowschool.org](mailto:auction@willowschool.org).

With Gratitude,

**Nileem Jani and Tracy Silverman**
